

## Can you leap tall buildings in a single bound?

Rangitikei College is on its way to becoming the first choice for education in the Rangitikei. To be a first choice school you need a first rate leader.

If you're a talented, energetic and passionate educator ready to work with a Board 100% committed to realising the potential of all students, then look no further.

But enthusiasm alone won't get you to the top. You'll need to show us you can:

- drive positive change
- capture the heart of the community
- hold people to account and undertake effective performance management

Grab this opportunity to make your mark in a stunning rural setting. Get an application pack online at [www.rangitikeicollege.school.nz](http://www.rangitikeicollege.school.nz) or call Rebecca on 06 3270099 or Mandi on 06 3277024.

Applications close on 31 January 2012.
